Thanks for trying the Lifewrecker Print N Play by 3 Inch High Games

Zip file contains four PDF files:

This introduction letter

Rules

Game Board

Card Deck and election cards

You will need to supply your own Meeples or Pawns. Sorry™ pawns work Perfectly.
The real game has Black, Red, White, Yellow as colors, but the PnP uses Sorry™ colors.

- The card deck can be printed on standard 8 ½"x11" paper as long as you can print on both sides – flip on the short edge. Cut out using paper cutter or scissors – there's only 18 cards ;)
- The game board can be outsourced to Office Depot – my settings are below.
- The rules have a funky width but can print on standard paper – try flipping on the short edge (or two sheets).

Enjoy!
